

CREATE AN ACCOUNT IN SENDGRID

Team ID PNT2022TMID20737

Project Name PERSONAL EXPENSE TRACKER APPLICATION

The screenshot shows the SendGrid dashboard interface. The browser's address bar displays the URL `app.sendgrid.com/guide?from=profile&integrate=true`. The left sidebar contains a navigation menu with the following items: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, and Settings. The main content area features a welcome message: "Welcome, SHRIVARSHAN !". Below this, a sub-header reads: "To get up and running quickly, please follow the steps outlined below." The primary action is a large blue button labeled "Send your first emails with Twilio SendGrid". Below this button are two white cards: the first is "Create a sender identity" with a right-pointing chevron, and the second is "Send your first email" with a lock icon and the text "Please create a sender identity before sending your first email." At the bottom, there is a grey button labeled "Remove email sending limits". An illustration of two people running is positioned to the right of the "Send your first emails with Twilio SendGrid" button.
